

INSTRUCTIONS

Trace and cut the blue paper for the roof section, then punch the 2 holes. Add the following below the roof: black paper (approx. 2" tall), cherry paper (1 1/4" tall), green paper (3/4" tall). Cut the 2-layered circle fabric pieces (2" and 1 3/4") and add a center button. Embellish the rest of the stickers & accents as shown.

Place a 2" strip of blue paper on the bottom edge of the page, top edge scalloped. Add a 7/8" striped strip over it. Adhere the circular stickers as shown. Trim off part of sticker that hangs off the edge.

11

Trace and cut the blue paper for the roof section, then punch the 2 holes. Add a sticker strip vertically placed aligned with the “chimney” of the page. Embellish the rest of the stickers & accents as shown.

12

Place a 2” strip of multi-colored paper on the bottom edge of the page, top edge scalloped. Add accents & stickers as shown. Trim off part of sticker that hangs off the edge.

13

Trace and cut the green paper for the roof section, then punch the 2 holes. Add a sticker strip vertically placed aligned with the “chimney” of the page. Embellish the rest of the stickers & accents as shown.

14

Trace and cut the yellow paper for the roof section, then punch the 2 holes. Apply circle stickers on holes. Add the following below the roof: black paper (approx. 2” tall), cherry paper (1 1/4” tall), green paper (3/4” tall).

Assemble all completed pages in order, matching up the holes. Insert the binder rings through the holes to bind all the pages together. Double-knot three 6” pieces of ribbon on each ring.
